2nd quarter 2019

FROM THE HOME FRONT

3 cheers for Haley

The **Pirolos** have had a busy but exciting past couple of months. Haley and Heather went to Portland for the Pac West Cheer competition and had a great time in a beautiful city. She just turned 13 this month and is looking forward to summer already. Anthony turned 18 at the end of March and is preparing for the end of his Senior year. He got accepted into UCCS but has decided to stay home one more year and go to Arapahoe Community College to see if he wants to change his major to Physics.

Hannah loves Goofy

First quarter for the **Keyfauber** family was filled with school activities, continuing to work on their remodel, skiing, and finally a trip to Disneyland for Spring Break. Favorite rides included Cars and Indiana Jones. Unfortunately, Heather and Hannah would not ride the upside-down coaster with Gary. A highlight was seeing little kids experience “snow” for the first time at Mickey’s Mix Magic (fireworks). Another highlight was seeing the many wildflowers along the mountainsides. Hannah is looking forward to finishing 7th grade and turning 13 next month – how time flies.

Shawn Peterson, center, at a Syrian refugee camp

For the traveling **Petersons**, Shawn visited missionaries in Poland and a Syrian refugee camp in Lebanon. Aidan “traveled” many hours to various skateboard parks, and Warren Tech. Allie traversed over hurdles in track, and Simon clocked many hours on the tennis courts. This summer, Shawn and Cassie will visit England and Scotland and Allie is off to Poland.
