3rd quarter 2019

## FROM THE HOME FRONT

For the **Keyfauvers**, the 2nd quarter was filled with soccer, end of year activities, and the loss of Heather's mom. In mid-May we found out that Heather's mom was taking a turn for the worse and decided to place her on hospice. On June 3rd, she passed away. The dementia/elder care road has been a difficult journey – I have learned valuable resources and lessons to support others in their time of need.

Heather and Eddie **Peirolo** are so proud of their high school graduate, Anthony! This summer he is working with Eddie in construction and preparing for community college to start this Fall. Their daughter, Haley is enjoying some down time from cheer since they are on Summer break, and is prepping for 8th grade. They all enjoyed the annual visit from Heather's brother's family from Santa Rosa, CA.

Memorial Service for Pat Lovelace

Over the 4th of July we spent the week in Edwards, CO, which is close to Vail. We attended the Vail parade, hiked, and spent some time in the pool. The wildflowers and snow on the mountain peaks were beautiful.

The **Petersons** traveled to Florida and helped get Cassie's step dad into a memory care home in May. Cassie became addicted to planting annuals and is growing her first tomatoes! They seem to thrive in the Colorado Summer heat. Aidan and Allie enjoyed church camp and making money at their summer jobs. Simon found new freedom via his bike and explores all over, taking sunset pictures.
