Our Quote Today For Your Tomorrow for The Month of Kindness and Love: Mark Twain was a keen observer of human nature. His quotes and quips are funny, but thoughtful. Two of our favorites: "Kindness is the language which the deaf can hear and the blind can see." "The secret of getting ahead is getting started."

Our Thought Today For Your Tomorrow: [20 Most Fantastic Facts About February](#)

February is the month of different seasons, depending on the hemisphere. It is the last month of winter in the Northern Hemisphere, and the last month of summer in the Southern Hemisphere.

Fun Facts: This year, Ash Wednesday and Valentine's Day are sharing the same date for the first time since 1945. It happened two other times in the last century — 1923 and 1934. It will happen again in 2024 and 2029, but that will be it for this century.
