

RAYMOND JAMES BANK ENHANCED SAVINGS PROGRAM

A better way to make cash part of your long-term financial plan.

RAYMOND JAMES

Safety. Liquidity. Yield.

It's everything you want in a savings program.

The Raymond James Bank Enhanced Savings Program is a strategic savings program with a competitive interest rate. It offers higher yields and FDIC deposit insurance than standard savings or checking accounts - and there are no bank fees or holding periods.

The Enhanced Savings Program offers an innovative way to earn interest on qualifying cash* by linking your brokerage account to a high-yield Raymond James Bank account.

Your advisor, acting on your instructions, can quickly move your funds between your brokerage account and the Enhanced Savings Program, preserving your liquidity. And your program funds are placed by Raymond James Bank in FDIC-insured accounts held at a network of banks, each providing up to \$250,000 in FDIC insurance, allowing for combined FDIC insurance of up to \$50 million.

If you hold significant cash for the long term, prefer a high degree of security or have a relatively low tolerance for risk and appreciate the simplicity of aggregating your assets, the Enhanced Savings Program may be right for you. It may also be ideal for individuals and business owners, as well as institutions, that require FDIC insurance on cash balances.

NOW YOUR SAVINGS CAN MAKE A GREATER CONTRIBUTION TO YOUR FINANCIAL GOALS

Connecting your cash savings to your investment portfolio allows you to have a more comprehensive financial plan, whether you're setting money aside for the security of knowing it's there – or for a specific purpose, such as purchasing a home.

The Enhanced Savings Program will be included in your relationship summary in Raymond James Client Access, so your statements, transactions and balances are always a click away.

To find out if the Enhanced Savings Program is an appropriate strategy to help you pursue your financial goals, have a conversation with your advisor.

*Qualifying cash may vary. It is generally defined as net new money brought to Raymond James. Contact your advisor to confirm what currently constitutes qualifying cash. An initial deposit of \$100,000 or more is required to open an Enhanced Savings Program account.

LIFE WELL PLANNED.
